**Great value, good organized!**

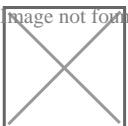

20 Dec 2018

A very convenient way to get to know other islands around Phu Quoc. The information given by the tour guide is clear and helpful. Good choice of islands where the sand is real fine. The program is good scheduled. Would recommend it to other friends.

**Disabled tourist delighted with her trips**

14 Dec 2018

Through out both our trips we were able to go at our own pace and spend as little or as long as we wanted at each place . Going as a private trip we were shown around all the places as a couple and were able to ask lots of questions. Tour Guide's English is very good and he was able to give us lots of information about things we were driving past. At no point did we ever feel under any pressure that we were being taken to places where we were expected to buy anything. He was actually very careful to ensure when we did buy anything that we understood the value of our notes and not to give too much money. He is a very careful driver and manages well on the roads with all the motorcycles. We managed to visit all the places on Phu Quoc that we had wanted to. If you want to see the island and all it has to offer I strongly recommend you get in touch. He is very good at responding to emails and happily answers all of your questions however silly they may seem. Thank you again for making our time on Phu Quoc unforgettable.

### **Nice journey**

05 Dec 2018

It was nice to go to the 3 islands at this price! The rice is handmade packed and pleasant to push the same dish, but communication with people in various countries was taken and I enjoyed it and it was delicious unexpectedly! Haha guide guide? I am also very happy and bright, and at the end I am quite satisfied with this price of letting me jump in from the top of the ship! The beach on the way to stop on the way is cleaner and the deep place to snorkel is normal

### **It was good.**

01 Dec 2018

Japanese customers were only one pair with themselves, all others were foreigners. Although it was a reasonable fee, I enjoyed it enough, and the lunch on the ship was delicious, so I was able to enjoy foreign exchanges surrounding the table with people from various countries. The guide was friendly and helpful.
