An incredible trip and by some fluke we had the ship to ourselves (5 of us in a 30 cabin ship!!!!) and were truly spoiled by Sonny and his team. The guys have a wickedly funny sense of humour and really looked after us. The scenery is amazing, we had a cooking lesson and did Tai Chi at 6am (sorry guys, you wanted a lie-in!) The staff are fabulous, really helpful and the ship is beautiful. We visited a floating village, a huge mountain cave and although it was Jan and the weather not so sunny it was all still spectacular. I can't recommend them enough. We did an overnight 2 day trip. The food was incredible and so much of it!!! Be prepared to eat a lot! So a big thank you to La Regina. They are the only ones to choose. You may be offered slightly cheaper cruises but you won't see the tourists smiling like we did! For a few dollars more go with the team that really know what they are doing and enjoy being spoiled for once.
