Lovely Ha Long Bay

28 Sep 2018

My girlfriend and I took the 2 days, 1 night trip from Hanoi. Thanh, the tour guide, was excellent. From the word go he was extremely helpful and friendly. He was always smiling and made us feel very welcome. He was also very knowledgeable about Halong bay. The boat was fine, and the food was really good. Beers on the boat are cheap but the cocktails were a little over priced and not very good. Despite the rain being on and off we both really enjoyed the activities or kayaking, and climbing the stairs in the cave. We paid \$115 per person for the trip. The journey to and from Hanoi is about 4 hours or so. If I was to do it again I would maybe take 2 nights on the boat, or even stay in a hotel an extra night rather than spend 8 or 9 hours over 2 days on a mini bus. Other than that I would recommend this tour - particularly Thang who was excellent

Thanks to Thang and the crew, my husband and I had a memorable experience aboard. There was never a dull moment and it was a great chance to meet other people as well. Cheers, Thang!

An Excellent Trip!

My father and I booked a 1-night cruise in Halong Bay. We were very satisfied with the entire experience. Every single staff member was friendly and helpful throughout the trip. The food was great and the activities had a good balance of sight-seeing and physical activity. Our guide, Kenny did an incredible job. We both really appreciated his kind and humorous way of making everyone comfortable on the trip. He was very knowledgeable of the the history and landmarks of Halong Bay and was always to answer any questions or concerns of the group. We especially appreciate how personable Kenny was and we both hope to book another trip with Legacy with him as or guide again!

Wonderful experience to Halong Bay!!

Me and my bf had the 2 days 1 night trip with Legacy Cruise. We had a knowledgeable guide named 'Can' who 'can help you with anything'. The boat cruise was nice with clean room and toilet. The staffs on the boat were very helpful especially when we couldn't take the heat and they offered to on the fan for us. They gave a plenty of food to eat. The activities along the way was wonderful, we got to escaped the crowd and went kayaking in a more remote area with less tourist. Overall, it was a great experience and I wouldn't mind coming back to visit again

with my family and even recommend my friends on this cruise as it is worth every penny!!
