AWESOME

The Halong Legacy Cruises are genuinely legendary. Right from checkin till the checkout they are on their toes to give you the best experience of the Halong Bay. Perfect coordination right from the meal preference to room preference to the pick up from harbour till they drop you back. Everything sails smooth and comfortably. The cruise boat first appears a bit old but don?t judge by the looks. The rooms deck dining area bar every part of the cruise is well maintained and upto mark. All activities including Ti Top trekking kayaking beach and cave walks are well organised. Enough time is provided to enjoy all the stops. The

cooking class in the evening is quite short but fun. Bar is very wel stocked and a very good range of cocktails are available. For travellers who are not very keen on seafood should request the cruise of their meal preference as soon as legacy cruises get in touch. The rooms are very clean and washrooms are also hygienic. Mr. Trinh will be your point of contact for all queries and for every cruise, there is a guide/Cordinator assigned one day before your checkin which will also be communicated to you personally. Our Cordinator was Mr. Can. One very humour pus and helpful person. Thanks to Mr. Trinh and Can to make our experience of the Halong Cruise memorable. Highly recommended.

We took the 3 days, 2 night trip from Hanoi. It was great to get away from the hustle and bustle of Hanoi for a while! Both tour guides are excellent. From the word they are extremely helpful and friendly. always smiling and made us feel very welcome. also very knowledgeable about Halong bay. The boat was fine, and the food was really good. Beers on the boat are cheap, with options to pay at the end by card or cash. We both really enjoyed the activities caves and kayaking, and climbing the stairs to a great
