Amazing !

20 Oct 2018

I have done the two day one night tour on the ship and I wish I book the two or three nights stay . I absolutely loved it. The staff on the ship have been very friendly and helpful in every occasion and they tried really hard to tend to everyone?s needs / wishes . Our tour guide Sarah have been very professional from the time I arrived in Halong Bay until I left . She interacted with everyone on board , was always helpful and smiling

. I found the room really big and the bed was very comfortable . Also I would like to point out that the food was delicious and really well presented . If I ever return I would choose the same cruise

Signature Cruise Halong - 2 days/1 night

22 Sep 2018

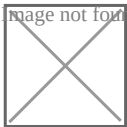

We went on Signature Cruise Halong for 2 days/1 night on the 4th of September 2018. The Halong Bay landscape itself is truly amazing and worth visiting. On top of that, the way we were treated during our stay in the Cruise made it an unforgettable experience. The room was great, the food was delicious and the activities - particularly the kayaking and visiting the fishing village - were very well picked. However, the staff was key to make this an experience that exceeded our expectations by large and far. On a special note, we would like to emphasize the role played by Sarah (manager/tour guide) who not only always made sure everything was going according to our expectations but also prepared a very kind surprise in our room given that we were celebrating our 1st wedding anniversary. All in all, we truly recommend it to anyone that wants to enjoy the beauty of Halong Bay while staying in a very welcoming environment.

We've been 2 days and 1 night in Halong Bay inside the Signature Cruise 1. Sarah (the manager) was very nice with us since the first minute. Every member of the staff explain us everything we asked for or interesting things about the area. The cabin was clean and they had a lot of space. In our case we asked for a dinner in the balcony and it was an incredible experience (we booked the family suite which is the only cabin with big balcony in front of the boat). The activities in the boat were really good and the food was perfect with elaborate dishes and variety of meals. Every detail was took into account and we felt really comfortable; so we can't say any bad word of our experience.
