**Stunning boat trip**

14 Jul 2018

For 3 days we had the pleasure to be welcomed by the professional staff of Paradise Cruises. This was my second cruiser/boat tour and topped everything. The room looked rustical and modern, stylish, and the beds, most important, were very comfortable, no feeling of waves at all when sleeping. Also the noise by night was very relaxing. Seeing the sunrise as well as the sunset from the boat was like a dream, magical. Now, the programm they offered during their time was entertaining and good to get in contact with other passengers, well organized. A trip to a

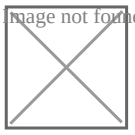

paradise I'd not hesitate to go again.

This is a great cruise company to book with. Hotel limo van pick up, personalised check in and warm and welcoming crew on board. This cruise had everything you can want. The crew on deck were all so welcoming and recieved us with genuine warmth and patience. The bedrooms were very comfortable though they could find a way to block out the light from the hall to make the rooms better to sleep in. The seafood barbecue and meals were exceptional and the views are breathtaking! Topped off by a bit of canoeing, cave climbing and personalised massage service at the end of the day, it was nothing short of a magical experience. Highly recommended to all wanting luxury, opulence and a little adventure.

We will definitely want to go back.
