Superb

21 Dec 2018

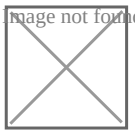

The room we booked came with a private balcony. I did enjoyed it for an hour just to see the amazing gift the nature offers. The itinerary was good, a lot of activities! I enjoyed the kayaking the most as you feel you are just very close to the nature. The food was very nice too! We met some interesting people too! And the bar opened quite late

Cruise with charm

The attention of the staff, their enthusiasm and willingness. The great room, quality and abundant food, separate drinks to pay before check out, activities scheduled during the stay: bath with snorke, kayaking, night party, fishing, visit factory pearls, cooking class ... highly recommended! The wifi works little.

Great

The boat was very clean and new, the cabin was large and very comfortable. Kayaking we loved and had a great time with karaoke. The food was very varied and very good and the staff very pleasant. They gave us many bottles of water and although the drinks were a little more expensive than the average in Vietnam, it was not too much either. The transfer service, although it was for a fee, was half as much as other boats we looked at. We would have liked to do some more activity around the bay, there were long waiting times on the boat that could be taken advantage of.
