This is an experience we were not expecting. What we heard about did not justify what we saw and experienced. It was amazing. Very relaxing. And so smoothe. Very experienced company with great staff. Especially Quan Lee who was very informative and very helpful . I would recommend this company to all my friends and acquaintances. "Well done victory cruise."

I can't praise this enough. We had an overnight cruise and it was a very well organized trip from the start till the end. Not one tiny problem or struggle despite the crowds around. We took the mid sized ship and had a suite room with a balcony. The bathroom was quite large and was more comfortable than in many hotels. Meals were amazing, Vietnamese for lunch and continental for dinner. We had a row boat tour in the fishing village on our first day and the cave tour on the second with tai-chi lessons in the morning. Everything was amazing.

**Halong Bay 2 day 1 night cruise**

10 Feb 2018

Great rooms, water pressure in the shower was great! Meals were very good as was the on board masseuse. First day we went to a local fishing village, we were then rowed around the village and back to the boat for dinner, plus optional squid fishing. We opted out of this preferring a massage instead. Following morning we visited a cave

which was really nice although quite a number of steps to go up before you get inside, that was my exercise for the day! All meals on the boat were great, there was a lady on board who could speak some tagalog (Filipino) and she was very good often saying some words to my Wife in Tagalog as she is a Filipino. Cabins were really nice and clean. Recommend-Yes Go Again-Absolutely Yes but need longer time.
