A breathtaking trip!

30 Aug 2018

The four of us recently joined the 3D2N Dragon Legend cruise. This was one of the most breathtaking, most scenic, fabulous(in terms of the daily itineraries) and memorable trips we have had ever experienced! We are truly touched by the great hospitality and the amazing efforts from the crew at all levels especially Wang(the captain), Tony (the crew manager), the young crew member not sure if he was called Truang(sorry could not get his name correctly but he was the young polite, caring and helpful staff who had just joined the company a few months ago. He was the young man who took the photo with my mate

Address: 68 Tran Hung Dao street, Phu Quoc Island

with a blue colored sunglasses. Sorry this is the only photo we had of him and he looks unclear, haha) and the head waiter(sorry can't recall his name at all). The food was just amazingly delicious, especially with me being a vegetarian and with allergies to garlic, onion etc. I had the most delicious and local authentic vegetarian food and the crew chefs/waiters (especially the head waiter) were spot on in getting my dietary requirements right! So if you are a vegetarian and with a history of allergies, you will be well looked after by the Dragon Legend crew! It was one of the most memorable, enjoyable and scenic trips especially given the amazing hospitality we received from the crew (especially those mentioned above) who made all this possible- so thank you so much again!

Much more than the worth you pay - perfect getaway

Relaxing Cruise and Excellent Service

26 May 2018

The 2 night 3 day cruise was absolutely wonderful and such a relaxing way to enjoy Halong Bay. The rooms were well appointed and the bed was large and comfortable. My kids age 9 and 11 both enjoyed the activities and excursions. I liked how peaceful and scenic everything was. Our host who's name is Long (as in Ha Long Bay - Long he liked to say) was very kind and accommodating. He checked in on us often and even entertained the kids with magic tricks. All of the staff was attentive and we highly recommend this trip for families and even romantic couples.

Dragon legend tour

09 Apr 2018

We did a 2 night tour on the dragon legend. The facilities were good quality and the food was amazing. The rooms were larger than expected. Exceeded expectations and the staff were accommodating and friendly. Especially coco, smiley, tony. Just double check you can swim both days. Highly recommend the company.

Superb cruise

We recently went on the Dragon Legend cruise for 3D2N. The cruise was wonderful, you are surrounded by fantastic scenery from the minute you leave the harbour. This is then complimented by the excellent customer service and delicious food. My wife and I have an open pallet so it was enjoyable to try so many different dishes, particularly the sea food. The rooms are beautiful and far better then our expectations. We were on our honeymoon and the crew did stuff to make us feel special, which was really appreciated. The tour guides were Mr Smiley and Coco who did a great job of keeping all the guests informed of the activities and itinerary, whilst supplying us with good entertainment. We would recommend this to anyone, as they cater for families, couples and groups of friends.
