Can't be faulted!

18 Aug 2018

Our cruise couldn't be faulted! From the moment we arrived until we left we had fantastic service and quality! There is about 400 boats floating around and half are day boats! We found the professionalism of the Aphrodite crew outstanding and believe they were a big reason for our enjoyment! You must stay 2 nights to really enjoy it! Everyone who went 1 night wishes they stayed longer!

Superb Trip

I booked the 2 day, one night cruise. I had a great time and met several

lovely people, both crew and guests. I loved the beautiful wood in my room and was impressed that it had a real bathroom! The bed and linens were extremely comfortable, there was a good air conditioner, and I slept very well. The food was all good and nicely presented. I enjoyed the caves. I was happy that I opted for the kayak excursion and saw wild monkeys! I also did the early morning tai chi. My memories of the sunset from the top deck will remain forever. This was my one big splurge on my trip but I have no regrets.

High quality cruise with great service

17 Mar 2018

Had a lovely time on the cruise of Halong Bay. We stayed for 1 night and 2 days which we felt was enough however not due to the hospitality but the bay itself. The food was tasty, from a 4 course lunch and dinner to a buffet brunch which had many options both local and international. Activities are the same no matter what cruise you select which makes them super busy and detracts from the experience. Nothing to do with the cruise though and highly recommend it.

Excellent!

10 Feb 2018

We booked 2days/1night with Aphrodite cruises in Halong Bay. The boats exterior wasn't too impressive- but quite nice in an old fashion way. The interior was very nice and elegant. The cabin (we had a double bed with balcony) was small but excellent. And the bed was....I haven't had such a good bed in weeks!:) The food was good, the cocktails weren't that good but we came for the view and adventure and we didn't get disappointed. Fantastic! We went for a cave tour and a small wooden boat took us through another cave and into a lake with only
