Exceptional

It was amazing. Very clean and professionally done throughout. Room was nice but the balcony was awesome. The boat has only 8 cabins so we got individual attention and made new friends. Our guide was very nice. He was informative with excellent communication. The other staffs were also great. The tour and activities were nice-average. There were enough activities.

Nice trip and very good tour guide

Nice boat, friendly staff and the food is very good. Also there a lot of activities on the boat, like cooking class (making spring roll), squid fishing, and some taichi in the morning. The sites that we visit also very beautiful, like Surprise cave and Ti Top Island were very memorable for us.
