I did a cruise for 1 night and 2 days, but the facility was also up to date and the boat was the best. The food was well adapted to the taste of foreigners. But if you have a problem with WiFi, the temperature in the sauna is very lukewarm.

2 days of experience with President cruise is great, with luxurious cabin, clean, attentive staff, shocking cave visit and boating is interesting, rich menu, fresh food, evening with Chef's prepared dishes are very thoughtful. Especially the chef makes food very delicious and beautiful, he makes his own baby, he likes it very much, his baby is picky to eat but also eat clean! Will invite the whole family to come here next time. Love you all!

I am not very satisfied

23 Jan 2019

I took a cruise with my wife and wife, but my wife was having lunch while I was there, and while I was traveling, I was lying in bed and could not eat anything. At first, I thought it was a stomachache. I asked for medicine, but I received medicine. The cleanliness of the inside was very satisfactory, but the fruit flies on the food were not good at the restaurant. There was a small pool on the ship and he said that he had better swim there. The staff were all friendly, but not very satisfied with the price.
