Itineraries

Phong Nha - Tan Hoa - Hang Tien

Address: 68 Tran Hung Dao street, Phu Quoc Island

Pick up will take place from 7:00 – 7:30 am from your local hotel in Phong Nha. From there the tour will head an hour and a half to Tan Hoa office, located 70 km from Phong Nha. The drive is beautiful, passing alongside jungle, fields and over the historic Da Deo pass. During the drive, you'll also listen to a safety briefing led by your experienced tour guide.

Arrive at the office around 9:00 am where you'll sign your Release Form, and collect equipment such as jungle boots, water bottles, lights, helmets, etc. You can leave your extra luggage at our office in the storage room.

At around 9:30 am, the group will take a drive over to the drop off point and start at the trailhead by 10:00 am. The trek begins with a hike through the forest over a hill. The last kilometer before the cave is very rocky with many boulders, as if the cave terrain has spilled out onto the landscape in front of it. You'll enter the spectacular cave and just inside, enjoy a BBQ feast, including fresh pork and traditional spring roll wraps (vegetarian option available). Around 12:30, you'll start your exploration of the cave.

With formations rising up like a layer cake of rimstone pools and lush ferns, this cave is truly a unique specimen. As you explore, you'll reach a small skylight in the cave, created from a shaft which overflows sunlight from the cave's entrance. Beyond the skylight will be a ladder leading to the second section of the cave. You'll venture through this next section of the cave, known as the high chamber. The exit of the cave lies just ahead – you have conquered Hang Tien!

You'll make your way back, and get a chance to take a dip in the natural jungle pool you passed on the way in. You'll have time for a coffee, a quick swim, and to take some photos before making your return journey.

You will be collected at the pickup point and head back to Tan Hoa. A shower awaits you at the office before the van ride back to Phong Nha at 6:00 pm. The tour will finish around 7:30 pm in Phong Nha.

A great one day trip. I firstly heard about Hang Tien and no resistance to book this trip, the cave was so beautiful, the stalactites were twinkle and thick. My guide was amazing. Highly recommend!

An amazing day

10 Mar 2019

We had a one day tour to Hang Tien Cave. It was an amazing day for me though the cloudy sky made us a bit nervous, tour was perfectly organized. The entire excursion from initial contact throughout the drop-off was well arranged. Guide spoke English easy to understand, and was knowledgeable.

Hang Tien one day tour

01 Mar 2019

We booked a Hang Tien one day tour because we didn't have much time in Vietnam. Great tour and friendly staff. Good and necessary equipment. Lunch was great. It was enough to explore in one day. Highly recommend.

Would definitely recommend this adventure.

We're on a backpacking budget but thought we'd spend a bit more to experience something different. And the cave did not let us down. Everything was great, from the guide, the lunch to the activities such as

swimming in underground lakes! Would definitely recommend this adventure.

Well worth the cost!

Amazing day! Well worth the cost! The guide spoke English so well, he is young and very passionate. The cave was also beautiful although it was not as large as Tu Lan cave, or Phong Nha cave.
