2 day tour to trek and explore Hang Tien

We did the 2 day tour to trek and explore Hang Tien cave. Amazing guides and great experience. We took about an hour jungle trek to the cave and our group was the only group there, it was so spacious to free admire the cave. Guides were very kind and helpful.

well organized

05 Feb 2019

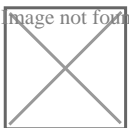

The trip was very well organized. First of the trip, I saw a nice view to the wide grassland and a small stream, which is a good start for every trekking tour. However, at the last day, the weather turned bad a bit, it was rainy and we had to end the tour earlier.

Good food

04 Feb 2019

I took the 3 days 2 night Hang Tien tour in mid January and I was very very happy with everything. It's challenging enough, very balanced between trekking, caving and relax in the wild. The food was great too, I appreciate the dedication of the cook and porters to cook meals for us in such a difficult condition, with no meal repeated twice.

Wholeheartedly recommend!!!

I and my boyfriend had an unforgettable voyage in Hang Tien cave.
