This is the best experience! We have a great tour guide! He was so kind and helpful. Everyone were so excited with the beauty of the cave. It had just stopped the rain, so the trail was quite slip.

It was the highlight of our Vietnam trip and Tu Lan trip was so great, everyone in our team were so great. We were picked up at our hotel in Phong Nha (very nice place) and taken straight to the base.

I had visited many caves in Phong Nha - Ke Bang cave system such as Phong Nha cave, Dark cave, Thien Duong cave but Tu Lan is the best for me. The tour was great, don't miss if you come to Phong Nha.

This one day trip was wonderful. Our guide and his assistant were very concerned about our safety and when they realize that I was not confident with climbing and swimming, they were always close and help me.
