We'll leave you to settle into your floating retreat, with its window wall conferring an endlessly captivating panorama. Day 2-Saturday: Mekong River - Koh Oknha Tey - PreahProsop - Cambodia

On this river of time we admire dexterous Khmer artisans dyeing and weaving kroma, the ubiquitous item no Khmer lives without. Explore the riverbank on two wheels if you wish, past Buddhist temples and thatch houses perched on spindly wooden stilts while white oxen wade just offshore. After lunch, we board our marine-grade aluminum skiffs and head towards the tamarind trees of Preah Prosop, a remote village little changed over several lifetimes.

Meals: B, L, D

Day 3-Sunday: Tonle Sap River - Koh Chen - Kampong Tralach - Cambodia

This morning, we visit Koh Chen, a silversmith village known for its fine craftsmanship. Keep an eye out for their famous silver bowls, regularly chosen by Cambodia's king as gifts for visiting dignitaries. Cruise across the glassy water and disembark among the lotuses for an ox-cart ride along the Tonle Sap riverbanks, past lacquered wooden houses where during these dry months residents take refuge in the relative cool of these outdoor impromptu living rooms.

Sunset cruise with drinks and fruit

27 Jan 2019

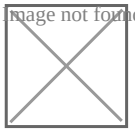

We loved this cruise. We did it with a 9 and 11 year who also enjoyed it. The staff were friendly and knowledgeable and happy to continue serving us beer/soft drinks. We were picked up from our hotel on time and met at the boat with little hassle. There was plenty of room to stretch out on the boat as it wasn?t crowded. The cruise itself offers great sunset views over PP. Just a great time really.

Beautiful cruise and knowledgeable guide

11 Jan 2019

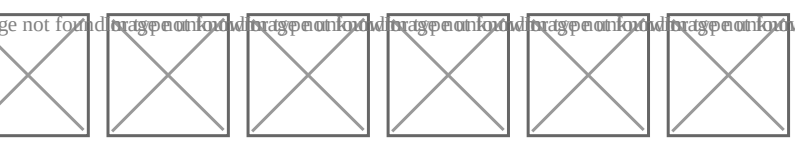

You have to choose your day but if the skies are clear, it's bound to be a treat. The little cruise (an hour and a half) on the Tonl Sap and then going to meet the Mekong river offers a unique view on the city (the skyline probably changes every month) at dusk. You get to see the other side, where fishermen live. The most interesting is the knowledgeable tour guide. Ours was a student who told us about life on the river, some about the city and was greatly interesting and could answer questions. The boat is just the right size, not too big that people are in all your photos, not too small that you feel too little when other boats come along. Add to this free beer and sodas and you have a great little evening cruise for a really fair price. Cherry on top, they will come and get you by tuk-tuk wherever you are and they are super reactive in answering WhatsApp messages. Really recommend.

Unique and fun experience

22 Nov 2018

The company on the boat were a lot of fun, the staff was great, and the finger food was good. It would have been nice if there was a veggie

platter though, but no big deal. Because of the long boat races, the boat couldn't park at the usual spot so we got picked up at a very interesting spot where we had to climb down a make shift step ramp and onto the boat. We all had some laughs. The guide made sure we did it safely and helped us. I enjoyed it.
