Phu Quoc Day tour, fishing, snorkeling and sight seeing

18 Dec 2018

The weather started off not very good with heavy rains but cleared up by the time we arrived at our first destination. The rest of the day was good, especially the snorkeling and the beach. The tour guides are friendly, funny, knowledgeable and provide good service. Lunch was Vietnamese food with sufficient amount of good taste. Great value for money

Great guide

17 Dec 2018

Today, a very nice day at sea is very quiet without a big life. I was taken to a big ship and took us to visit two small islands to swim at the coral and fish in the sea with many fish and many kinds. The various snails are very rich and the diversity of the clear blue sea is very clean. The feeling of eating lunch on the boat is very interesting. The guides are very happy and support us. We are very grateful to you so much. friend

Great snorkeling trip! One of the highlights of our trip here!!

03 Jan 2016

We booked the north snorkeling trip for a party of 6. We were picked up one time and they even paid for a cab for us since the van couldn't make it up our dirt road where we were staying. The boat was nice and there was someone who spoke English in case you had questions! The snorkeling spots were beautiful, small islands to swim and snorkel around. The lunch was excellent! And you could add more fresh grilled seafood items if you wanted! They don't sell snacks only drink and beer, so bring some along if you get hungry before lunch. Fun day!!
