**9:30am - 10.00am:** arrive in My Tho. Board a wooden motor boat (20 minutes) to Unicorn Island. On this boat along the river's bank, you'll be passing through natural creeks, interesting fisherman's port; stilt houses (half on land, half on water).

From there, we'll take you to a bee farm where you have a chance to taste a tasteful cup of authentic honey tea. After that we walk around quiet villages and watch the life of rural people in Mekong Delta.

Things get small and personal now. We are divided into many groups (if you take group tour) and get on small row boats. During this 15 minutes trip, you'll witness all

kind of interesting transportation modes that local people use to move around, while enjoying the fresh air along the canal and beautiful water coconut tree scenery. Away from the city, that is it all about!

When you feel it's enough for the serenity, let's get back to the large motor boat for something different. You'll cruise a canal whose 2 long sides are orchards (seasonable orchards). After that, we cruise to a village where the sweet smell coconut candies are in the air. To satisfy your curiosity, we'll get to a village that has many small shops that make coconut candy and handcrafted items from coconut trees of Mekong Delta. You might learn that those people can amazingly make dozens of useful products out of coconut trees. It is indeed inseparable from the villagers' life.

Now let's have a lunch the restaurant.

One of the boat's stops during this trip is at a seasonable orchard that has many different types of tasty tropical fruits for your enjoyments. You can enjoy the fruits for free while checking out the folk music that is typical to only the people in Southern Vietnam.

It was an amazing tour. Smooth transition between the places. Our tour guide was very accommodating and knowledgeable, truly an amazing guide. The tour will show you Vietnam's culture and experience it. The most memorable for me was the Tra Su tour. It was truly breath taking. It was a long drive, but truly worth it. It's not something you could see everyday.

The company was very organised and regularly checked our booking before we arrived to make sure everything went smoothly. Our guide was amazing. He hosted our small group very professionally. Our guide demonstrated his intimate local knowledge with stories and he had an uncanny ability to steer us away from crowds without compromising on the experience. We all learned a lot about life in the marvellous Mekong Delta. I would recommend this trip to anyone.
