### **A paradise in Vietnam for natural beauty and landscape**

30 Jan 2019

Just took full day trip and we felt very regretfully when saying good bye after that a short day. Mai Chau Ban Lac exceeded our expectation and we wish we could stay there for 3 days to enjoy our lives to skip from all what we have to cope up with from city lives. Everything was still natural and people was so friendly and knew well to to deal with customers and hospitality service. Will return soon.

### **Lovely place to explore**

08 Jan 2019

Treking or biking are available for your own adventure. It is amazing and more than our expectation. The local Thai ethnic people here are friendly.

### **Best day tour**

30 Nov 2018

We had a guide who rode with us and stopped many times for photo opportunities and in a village shop for a drink. All the locals greeted us. It was fantastic to be out of the hussle and bustle of hanoi and at this fascinating place!

### **one day private tour**

10 Oct 2018

It's a beautiful countryside where you can observe vietnamese farming and relax without all the crazy honkings of cars/motobikes from Hanoi

city.
