Brilliant

28 Jul 2017

We had fantastic trekking in Sapa. It was my first time trekked with my sister in other country. View was full of beautiful landscape, beautiful rice field and friendly local people. Tour Guide: Her English skill is perfect. Her communication is so good and she is very helpful and understanding. The whole trekking way, she was explaining patiently what we asked. You can make a choice as you wish to stay at hotel or homestay staying while you are booking trip to sapa. The weather is a bit cold. Food are also good. If you are so tired or pain on your legs after trekked, you can find many massages at Sapa. Overall review for Sapa is brilliant. :)
