Itineraries

Glimpse Tour of Hue half day

08:00 – 08:15 Pick up at hotel

Early Morning will find you in the Dong Ba market, the biggest and most significant market in Hue in particular and Central Vietnam in general.

Enjoy your wonderful day by taking a boat trip to visit the seven-story Thien Mu Pagoda. The pagoda is an icon of Vietnam with an interesting history, set on a hill overlooking the river.

You continue your journey to discover the Imperial Citadel, which covers an area of 52 km². The construction began between 1804 and 1833 under the Nguyen dynasty, surrounded as a fortification guarded by 80 bunkers and a deep trench of 40m large, connected by a bridge in front of the ten gates. Then make your way to the Hue Royal Antiquities Museum to see a collection of ornaments from that time.

12:00 – 12:30 Back to meeting point. Tour ends.

Best half day trip to Hue

10 Apr 2019

This was the first time I joined a group tour. Everything was ok as I expected. Guys were so friendly and comfortable. Very safe. Highly recommend!!!

Hue is more ancient and poetic than any places in Vietnam

Great trip. Nice weather. There was plenty to see and learn about on our way round. Thank you guide who told us a lot of historical stories about Hue. It was so interesting. Don't miss Hue!!

Great!!!

24 Mar 2019

I've had a wonderful experience in Hue. Although it was a half-day tour, I visited some highlights of Hue. The Imperial Citadel is well worth a visit. It has a very interesting history and it is well preserved. Very interesting!!!

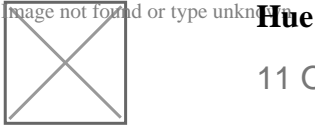

Imperial Citadel - Wow, incredible place

15 Feb 2019

One can only imagine what this Palace must have been like when it was in its glory. Such a shame that large parts have been destroyed. It is an amazing place to visit, a must for when you are in Hue

We did this deluxe group tours, very interesting with lots of information. Our guide spoke beautiful English which made understanding so much easier. The dragon boat ride down the Perfume River was lovely. Much of the Citadel has been destroyed but is being reconstructed as accurately as possible via photographs. Very interesting!
