Worth to visit!!!

27 Apr 2019

An interesting trip to the historical sites related to Vietnam war. It was a difficult time for Vietnam soldiers. Khe Sanh Combat Base is very quiet today. Walking between a few planes, tanks and tunnels make me think of fierce battles in the past. So heroic!!

Vinh Moc tunnels

19 Apr 2019

I really enjoyed the Vinh Moc tunnels. They are an engineering marvel. They are very different from Cu Chi tunnels and not crowded. I could walk through them comfortably. Other places are also amazing to learn about Vietnam history. Locals in the area are helpful, informative and polite.

Interesting experience

We heard about the tunnels system in Vietnam war, but never imagined it was that amazing work. And there Vietnamese were living during the war. Fascinating but sad. The DMZ trip was so educational and informative. Highly recommend!!!

DMZ Combat Base and Tunnels

15 Nov 2018

We did the full day private tour of Khe Sanh. Our guide was amazing and very informed about everything in the Hue Area regarding to the Vietnamese war. The country still has many sites that shows remains of the war or things directly connected to the war. We went to different sites in the backcountry, among others the Ho Chi Minh trail, Khe Sanh Combat base and the DMZ. After a delicious family meal Lunch we continued to the tunnels a bit up north, which also was very interesting and sometimes humbling. For everyone who is interested in learning more about the Vietnamese history and the war, also about how the people lived in and after this time, this is an amazing opportunity to spend the day! Highly recommend!

**For the tunnel**

20 Oct 2018

Great tour, I really like the guide but I was expecting to visit the DMZ otherwise it was great. The tunnels fully met expectations and was the main reason for taking the tour. I really liked that it was a small bus.
