Worth a visit!!!!

Worth a visit!!!! Completely satisfied with this trip. My friends recommended this trip for us and they contacted tour guide to book this tour for us. The guide was outstanding as what my friends told about him. The driver couldn't speak English but very nice. He was very funny and always noticed whether we need help or not. The bus was new and clean.

I traveled to Sapa and this time was Dalat. I recognized there were several similarities between these two cities. But for me, I would appreciate Dalat to Sapa due to accommodation in Dalat was well done, and there was no working constructions as in Sapa. Highly

One of the most memorable trips in Vietnam

17 Mar 2019

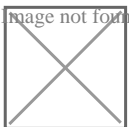

Tour Dalat full day definitely is one of the most memorable trips in Vietnam for us. We stayed overnight in Dalat and carried out the tour in the next morning. The previous night was so beautiful, cold and windy, we took a short walk to admire Dalat first. Really expect a wonderful tour in the next day. But the weather changed so fast, it was rainy in the next day, so we couldn't visit all the sites in the schedule. Extremely regret. However, we recognized a thing that Dalat was still beautiful in rain, a special beauty that can't describe by words.

Highly recommend this trip for everyone!!!

As beautiful as a small countryside town of Europe, Dalat actually stole my heart. A day in Dalat was not enough for me, I really want to back to this city one day to feel the misty cool morning and enjoy the coldness in the evening. Highly recommend this trip for everyone!!!
