An amazing trip!!!

05 Apr 2019

For me, it is an amazing trip!!! I traveled through many beautiful sites along the way. Within 3D4N, I broke a lot of records of myself and gained many great things. Overnight camping was so fun, we were lying on the ground, drinking and gossiping. Really worth a try!!!

Wonderful trekking trip!!

Wonderful trekking trip!!! I had many good memories about this trip. So missed the nights my team gathered together and messed up each other and talked about the horror stories. From that tour, I made acquaintance with many good friends, now we are keeping contact to each other.

The hardest but funniest trip in my life ever!!!!

The hardest trip in my life ever!!!! My wife and I decided to have a special and memorable honeymoon by booking a trekking 4N3D tour. It was so crazy. But who knows what happens next in life, and what we received from this tour was all good things. However, I don't recommend for those who don't have a good physical health.

Best regards to the tour and navigator.

A Vietnamese friend I met in Saigon introduced me this tour, so excited to carry out this trip because it was my dream for a long time. The 3d4n journey was not easy at all but it was the biggest lesson of my life. I tried my best to complete the journey. Best regards to the tour and navigator.

Fantastic trekking trip ever!!

Fantastic trekking trip ever!! We gathered at Trekker Cafe and waited the navigator for 15' before departing the trip. The trekking journey was hard but we had seen many wonderful views on the ways. I was so impressed with the night camping on the wild mountains, all team lying on the grass and looking for the starry sky, it was such a rare moment in life.
