On behalf of the members in my team, I would like to say something about this amazing trekking trip in Monkey mountain. After a long journey of trekking through the mountain and slopes, we finally reached to top of Monkey mountain (1570m high above the sea level), viewing the panaromic views from above was so special, both proud and touched.

This trip exceed our expectation.

This trip exceed our expectation. Trekking through many different terrains made us have a different sights about the beauty of Vietnam. Really appreciate the natural landscape of your country, beautiful and rustic. Camping was the highlight of the tour, I extremely enjoyed the camping night in the forest, the night was very beautiful, I was drowned in the beautiful starry sky that I didn't see for a long time.
