## Itineraries

### Can Gio - Saigon Outskirt Motorbike Excursion full day

In the morning our guide & motorbike will pick you up at your hotel/residence. We will head South of Saigon to Hiep Phuoc port via Nguyen Van Linh – Nguyen Huu Tho and leave the bustling city of Saigon behind. Along the way, you can experience the local people at work, ride through the shrimp farms, past swift houses and enjoy the most scenic roads of the area to reach for the Rung Sac ( Mangrove forest ) well-known as VC base during the war.

Travelers then take a boat ride along canals naturally covered with mangrove into the Dam Doi (Bat Swamp). We will get on the rowing-boat to get closer to the Eco Reserve area. Have you ever tried to fish for crab by a fishing rod ? Yes, you can try your luck right here. You will reach the core of the Biosphere Reserve of Vam Sat forest where we will visit the crocodile farm and bird reserve.

After your delicious seafood lunch and rest, we will learn how to pass the Cau Khi (Monkey bridge made of 1 or 2 single bamboos poles) as locals do. You cannot miss the panoramic view from the Tang Bông tower. It's a great opportunity for photos.

In the afternoon, a speed boat takes us back to Rung Sac, we then hop back on the motorbikes to Can Gio beach to visit the stunning local seafood market. You can go swimming, weather and time permitting

The ride back to Ho Chi Minh city via Binh Khanh local ferry gives an interesting experience on how to use the local transportation. The trip will end at your hotel around 17:00.

### **Excellent motorcycle trip**

I did a day tour to Can Gio, it was an excellent experience. We could see crocodiles, monkeys, bats. Besides the motorcycle, we got a fast boat and a rowing boat through the mangrove forest. I really recommend.

### **Saigon outskirts excursion - great day out!**

14 Jan 2019

Had a fantastic day out with Tommy and his team - great drivers on both the city roads, and the country lanes we went down! Felt very safe in their hands. Tommy was fantastic in letting me know what we were seeing as we went along, both in terms of roadside sights, and the dedicated attractions we went to. Highlight was the crocodile farm and feeding the crocs (for the squeals from our group), and really interested

in the bird nest farm and seeing how they managed that production. A great day out of Saigon, fresh air and country experiences made a nice contrast to the hustle and bustle

### **Super Fun**

06 Oct 2018

I went here for my birthday and it was great. You are given a lot of independence to see and feed the monkeys. I would recommend going without a tour guide-the other stops on the way to see monkeys are not really worth it. The seafood market is cool, but made both me and my boyfriend sick the next day. You can go here by yourself, ask someone about a boat, and buy peanuts there to feed the monkeys. The monkeys are great, they will come up and eat out of your hand.

### **Amazing experience**

### **Great ride!**

22 Apr 2018

Had a ride down to Can Gio and couldn't have a better time. I live in Saigon, and I'm constantly looking for anyway to get out of themadness, and this is the perfect way to experience the amazingsurrounding countryside. My wife hopped on the back and had a greattime exploring the salt farms, mangroves and crocodile farm. Trungknows the areas inside and out and is a pleasure to explore with. I'drecommend this to anyone visiting Saigon.
