Strongly recommend this trip

25 Feb 2019

It is worth to praise. My children love this trip. They say they miss 12-day time in Laos and Vietnam. Although this is not my first trip in Vietnam, this is the first time to come to Vietnam with the whole family, so I decided to take a long trip from Laos to Vietnam. Thanks to the enthusiasm and help of an Australian couple in the group, they lent us stuff during the trip, we finally finished well this amazing trip!

Great way to get around South East Asia which is hassle free, safe and guaranteed to mix with other travellers. It flexible but still offers the benefit of a local guide, organised transport and with the addition of travelling to more remote locations off the beaten track.

Great service. Great views

A wonderful trip for sure! We were been taken care of very well and the

sites and the historical information that guides gave us were great! We were able to see and explore the architectural treasure and sculptures of Laos, enjoy the beautiful nature and live together with the wonderful sea days in Vietnam.

Vietnam is very beautiful while Laos is mysterious

I have traveled through many countries around the world but this trip to Laos and Vietnam this time left me with a lot of special feelings. My grandmother is Vietnamese and this can be considered a trip back to my hometown, there are many memories in this trip, many thanks for the enthusiastic companion of the tour guide, he told me very well about many interesting stories about Lo and Vietnam. And maybe I had fallen in love with Vietnam already.

Well worth a visit!!!

I will definitely recommend this tour to my friends, it is worth to join. I had 12 days of breaking the leg in Laos and Vietnam. Right from the first days of the tour, we have received the warm welcome of people and nature here. The destinations in Laos are very unspoiled and have not been affected much by humans while the service in Vietnam is very good and professional.
