Day 1: Hanoi ? Mai Chau ? Pu Luong (170 km & 3hour walk)

Depart from your Hanoi hotel at 08.00 am transferring to Mai Chau. Daydream as we drive a safe route with spectacular views around every bend. Upon arrival at Poom Coom village in Mai Chau, we will take a short walk to visit the ethnic Thai people, then lunch will be served at local home.

By 01.00 pm take a short ride (15 minutes) to the Ma river, where we will take a short boat trip then start a 2 to 3-hour walk through beautiful hillside villages, magnificent rice paddies, seeing hand crafted bamboo water wheels. The highlight on this walk is experiencing the beauty of Pu Luong Nature Reserve, the everyday life and culture of the white Thai people. Become a part of local life when we are welcomed as honored guests at a traditional Thai home on stilts. Here in Hang village we will have a traditional dinner and stay the night.

Day 2: Pu Luong

It will be interesting for you to get up and observe, or even take part in their activities in the morning because the daily life here starts early, take an opportunity to stroll around Hang village before having breakfast served by Thai people, then at 8 a.m

start our trek. Today we will be walking approximately 5 to 6 hrs. The first hiking is hard with some steep climbs and yet more stream crossing, the next is really glorious with beautiful views of the valley, rice terraces, rich rain forest, streams.

Picnic lunch on the way at Eo Ken village, arrival in Kho Muong – the setting of the village is perhaps the most beautiful in Vietnam. It is recommended to stroll round the village and join in as villagers go about their daily lives, or relax in one of the three-eco homestays superbly set up by FFI (Flora and Fauna International) in conjunction with local villages. Please be soft and nice, nature is just very lovely here. Arrival in Kho Muong village in the afternoon. Here we will spend our second night in a typical Thai eco – stilt house.

Our guide has excellent english and a lot of knowledge about the area! We hike through authentic villages and farms to a huge natural cave. He is young and ?new school? so is able to relate to our questions but also give us information about the authentic way of life here ?old school?. Highly recommended!
