Fascinating time in the beautiful country. I booked a Thien Duong cave tour and we departed from Hue on an A/C transfer. Great service, the water was available on bus. The guide always cared about us.

We traveled to Vietnam without any plans, after finishing a Hue-Danang tour, we were advised us to book a tour to Thien Duong cave. Amazing itinerary to a wonderful place! On the road, we stopped at a historical relic in Quang Tri province, listened to the sad stories about the Vietnam war before stepping into the fresh cool world with a marvelous system of stalactites in Thien Duong cave.

Most beautiful Cave I've ever seen
