The Mekong... mythical!

02 Jan 2019

Do it from the river front, from a skybar (there are many in Phnom Penh), from a boat cruise or another boat. Just do it.

One of the icons of Phnom Penh

14 May 2018

This great river is one of the main waterways of Cambodia and bathes its capital Phnom Penh, it is worth a stroll in its waterside and better still in a Boat Tour through him to know several aspects of the Cambodian people.

A must

19 Feb 2018

Sailing the Mekong River is a must of Southeast Asia for all its historical implications. The rivers in this area are brown and unattractive to

navigate, except look at their surroundings, such as cities or fields, or used as a transport route as it crosses several countries. In Phnom Penh you will have to navigate it by ferry to cross the Silk Island or you could dine on one of its cruises while looking at the illuminated city.
