### **Heaven on earth**

31 Oct 2018

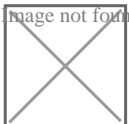

Together with my son Folkert we visited Pu Luong for three day, mainly to go trekking and explore the unspoilt mountains, rice fields and local people. Our guide did a marvellous job, showing us the loveliest and most interesting paths in 4 different trekking tours. Although it had been raining heavily the paths were relatively good and the views were absolutely stunning.

### **Amazing views and scenery**

06 Dec 2017

This place is def hard to get reach, but once you are there....awww man the place is beautiful. Would be equivalent to sapa for thanh hoa province. Barely any tourists and the things to see and do are endless. Very relaxing and tranquil place. One of my fav getaway locations.

### **Lovely experience**

12 May 2017

Pu Luong is quiet place , that's the main reason why we wanted to reach there. We enjoyed 3 days trekking in green nature with lush ricefields, beautiful terraces, lovely house on stilt and friendly people. The food was also excellent. We would recommend it to our friends
