Wonderful time

09 Jun 2019

This trip is worth the visit. The pagoda is gorgeous. Quite a walk in there. I wouldn't recommend coming in here on a super hot day. A hat, sunblock or even umbrella is a must bring. Trang An is beautiful. This place is like the mini version of Halong Bay. The boat trip was great but maybe a bit too long in a hot day. Lol. I think I was just having a hard time adjusting with the heat. The buffet lunch was okay. Definitely not wheelchair friendly. I would consider this place as a must visit in Vietnam

Relax and funny tour

02 Jun 2019

We went this tour on 31st May, with tour guide Leo, he's very friendly and funny,. The bus pick us up on time in the morning, the seat of the bus was very comfortable. It's two hrs journey to Bai Dhin and then trang An, We love the scenery in trang an, it's really great and we went to 4 caves, beautiful, And we appreciate the woman who row our boat number 1034, she's very kind and i think it's really hard work for her to row for us for two hrs.. On the way back to hotel we reach back around 7pm. Overall it was a great tour and we'll recommend to anyone to visit trang an.

Highly recommended

The tour was well organized. Tour guide was funny and informative. It was so hot so bring an umbrella for the open boat tour of Trang An and the walking tour Bai Dinh, a fan, water and sunblock. The buffet could be better.

New experience!!!

28 Apr 2019

My day trip was lead by our guide, the very friendly, helpful, humour and informative tour guide! Kimi shared with us some useful information and history of Hanoi during the long hour bus trip and took good care of us as the weather was relatively hot that day. The trip to Bai Dinh Pagoda and Trang An is enjoyable despite the hot weather and you will for sure be amazed by the view of Bai Dinh and the nature of Trang An. It is definitely a must visit place at Vietnam.
