### Rustic river living

15 Oct 2018

We enjoyed a cruise on an old river barge at Kenh ga. It was fantastic motoring though the villages and lives of the people and also into the upper reaches. Again, the scenery and rock formations were amazing. The swim at the island was refreshing afterwards.

### Nice place

29 Aug 2018

We visited Kenh Ga to go to the hot springs and the pool but the resort is really in bad shape. So we only visited the village along the river. It was fun because the place is charming, the locals were very friendly and we made lovely pictures. This cathedral is just amazing. It was far more what ive expected. If you have time to come here - do it.

**Spectacular!!**

25 Jun 2018

Unbelievable woodworking skills employed at this cathedral. We spent about an hour walking around. Was definitely the highlight of our tour that day.

**Splendid hot-spring.**

22 May 2018

The hot spring was one of our stop. The rooms here were quite good - the amenities looked like that they were renovated recently. We had private hot-spring bathing area here, and it was quite relaxing. The only minus thing was if only they put more effort on improving the quality of local life here
