Arrive Van Phuc village I was impressed by typical manner of an ancient village in the north of Vietnam with banyan tree, well, communal house, and the sound of power-looms everywhere. There are very much silk with various products like shirts, ties, crafts, dresses?

Bat Trang Pottery Village, great tour with fabulous

20 Oct 2018

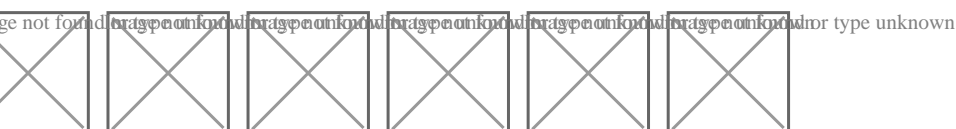

My tour was so nice in Bat Trang ancient - pottery village! So amazing!!! Bat trang is the Ceramic Village in Hanoi which attract me with their own products is made by themselves' hand. This is the most interesting place that people preoccupied with their works. There are a lot of making ceramic places which gave me unforgettable memory that I could make and paint by myself. It's the feeling I am as a ceramic maker. I loved an ancient place which every house and families have many many handicrafts and paintings, which is the most imposing and interesting drawings and products. This is the pride of that villagers who have to do hard works. I've been in ceramic market which really impressed me with the incredible styles, beautiful and colorful ceramics. Highly recommend the tour
